

This is the final part to the Tribulation series. This time will be a hell on earth. The lost will suffer the wrath of God, and the saved will suffer under persecution from the Devil. Our world will never be the same again. Mankind think that they can bring a successful kingdom by their own strength, but the Lord will prove once and for all that their kingdom is nothing but utter catastrophe in the end. The devil will bring his terror, the beast will dominate, and the false prophet will prepare the way for complete wickedness and darkness. After the Rapture, people will have a chance to get saved, but they will lose their lives as the price. This study will cover questions such as, "Who is the beast?" "Who is the false prophet?" "What must one do to be saved during the Tribulation?" "Is there a Post-tribulation Rapture?" "If there is, then doesn't this contradict your belief in a Pre-tribulation Rapture?" "Why does God allow something so terrible like the Tribulation to occur?"
