

This is the third part to the article series “So Many Different Bibles!" There are so many different versions of the Bible that many are wondering, “Which version is the best?” If you go to a Christian bookstore desiring to buy a Bible, are you one of those thinking, “Which Bible should I buy?” Maybe you just became a born-again Christian and decided to get a Bible for yourself but then you were surprised to see that there are so many varieties of the Bible all over the shelves of a bookstore! There should be a true authority somewhere, not many different ones. The King James Bible is the final authority of the word of God unlike the other so-called bibles. The problem with those modern versions is that they corrupt the words of God and bring utter confusion. Let’s examine more verses in the modern versions and see if they can be the true words of God.

**21) Luke 16:23 with I Corinthians 15:55:** (Changed “grave” and “Hell” to “Hades”). Why does your Bible support the Jehovah’s Witnesses’ doctrine? There is no distinction of Hell with the grave. When “Hades” is used in Luke 16:23 and Revelation 20:13, Jehovah’s Witnesses say that a person does not burn in Hell, but are just in “Hades,” which can mean “the grave.” Jehovah’s Witnesses use these interpretations, which is supported by their bible!

**22) Romans 1:24-32:** (Changed verse 25 “changed the truth” to “exchange the truth”). Why does your Bible damage the lives of people?! If God only damages and judges those who exchange the truth, then this means that those who change the truth into a lie are all right. Your Bible will be responsible for causing many people, who changed the truth into a lie, to be damaged and judged by God.

**23) Revelation 13:16:** (Changed “mark in his forehead” to “mark on his forehead”). Why is your Bible going to be responsible for sending many people to Hell?! There was one TV pastor who said that to not worry about receiving the computer chip #666 in your forehead or right hand as long as it does not go on the forehead or right hand. This will cause many people to burn in Hell as a result (Rev. 14:11).

**24) Mark 16:** (Subtracted or doubted nearly all of the chapter). Why does your Bible remove nearly all of God’s verses in this chapter?! There are a lot of verses that you can learn from this chapter.

**25) John 7:53—John 8:11:** (Subtracted or doubted). Why does your Bible remove many of God’s verses in two chapters?! There are a lot of verses that you can learn from this chapter.

**26) Isaiah 14:12:** (Changed “Lucifer” to “morning star”). Why does your Bible say Satan is Jesus?! Revelation 22:16 says that Jesus is the morning star. Satan must be in charge of your

Bible, since he wants to equate himself with God (Is. 14: 12-14).

**27)** Acts 28:29: (subtracted or doubted). Why does your Bible subtract a whole verse from God?! How can you learn that the Jews were discussing about Paul's gospel when this verse is gone?

**28)** Hebrews 10:34: (changed "spoiling of your goods" to "robbery of your goods"). Why does your Bible promote robbery?! God commanded to not steal (Ex. 20:15).

**29)** 2 Timothy 3:16: (changed "All scripture" to "every Writing"). Why does your Bible consider any "Writing" as inspired of God?! This means an inspired "Writing" of God could refer to anything, like a Harry Potter book. Whenever "scripture" is used, it always refers to the Bible, not to "Writing" (Mk. 12:10; 15:28; Lu. 4:21; Jn. 19:24; Ac. 8:32-35).

**30)** Matthew 20:20: (changed "worshipping him" to "kneeling down"). Why does your Bible rid the deity of Christ in agreement with the Jehovah's Witnesses? This bible matches in word with the Jehovah's Witnesses' bible! The Jehovah's Witnesses fiercely deny the deity of Christ, so in this verse, their bible replaces "worshipping him" with "kneeling down."

**31)** 1 Thessalonians 5:22: (changed "all appearances of evil" to "form of evil"). Why does your Bible help sin to take advantage? Christians may abstain from forms of evil, but when they abstain from something that appears to be evil, they will save themselves from a lot of trouble. This is the only verse that can declare to abstain from anything that appears to be evil, but the modern bible completely erases it away. This bible is going to be responsible for many Christians to fall into sin.
