

Here is a documentary about Roloff's ministry. It shows his stance against the government and the fruits of his labor to the Rebekkah home girls. These young ladies once lived out in the streets and were ruined by drugs, fornication, rebellion, and sin. But thank God that He used one simple "Southerner" to bring these poor girls out of the devil's chains into the liberty of Christ. Let these people be a witness to the fact that the Lord Jesus can deliver anyone out of the bondage of sin and can save any wretched sinner from Hell!
