

### Luke 17:29

But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all.

When Lot had many years to lead his loved ones to the way of God, he never did. Until God pronounced his fire upon Sodom, then Lot finally started to witness to his family members. But what happened? It was already too late. He lived in the world far too long, and the people would not listen to what he said. He could only manage to save two people in the end. The rest were burned to the ground. Just like many Christians, they are too settled in the world and do not have enough burden for souls. One of the saddest moments in their lives is they will see their friends drop into a burning Hell while they are feasting at the table of sin. What kind of guilt will they feel at the Judgment? Will you hear the cry before you win a soul, &quot;Too late!&quot;

1. Observe the Day
2. Observe the Departure
3. Observe the Damage
