

Going to PBI (Pensacola Bible Institute) and studying under Dr. Ruckman for three years was one of the best decisions that I have ever made with no regrets even till this day. Not only did I learn the Bible, I was also able to meet wonderful brothers and sisters who helped me grow spiritually. Although not everything was perfect, God filled all my needs, and those three years were some of the best years of my life. I thank God for allowing me to come back to California after graduating PBI and to be able to assist Bible Baptist Church International.

Many people say that Dr. Ruckman is unknowledgable and misinterprets the Bible. However, nothing could be further from the truth. Many people who are against Dr. Ruckman have never met him or heard him preach. They have just heard false rumors from those who have some grudge or envy against Dr. Ruckman for no good reasons. But since I was a pupil of Dr. Ruckman for three years, I can confidently say that Dr. Ruckman was and is the greatest teacher and preacher of the Bible. He never corrected the Bible with Hebrew and Greek. He made it very clear and plain so that everybody could understand. If a person has an issue with a person who believes, teaches and preaches the King James Bible as the Word of God in truth, that person has some spiritual issues. That is why I thank God for Dr. Ruckman and for my pastors, Pastor Kim and Pastor Schreib, for teaching and preaching the Word of God in truth without ever correcting it. So, my advice to those who are reading this article is not to go against a preacher who believes, teaches and preaches the Word of God, but to focus on their own spiritual growth and tell others about Christ.
