

As soon as you got saved, what was your reaction in being a Christian? Like many, they are glad they are going to Heaven, but they do not do anything to serve God. They think they do not have to read the Bible. They think they do not have to pray. They think they do not have to go to church. They think they do not have to win souls. They think they do not have to quit sinning. They think they do not have to sing hymns. They think they have no obligation to the ministry. That is not how saved Christians ought to live. Once a lost sinner has accepted Christ for salvation, that same individual must live the life of a Christian. Although the Bible does not say you must work FOR your salvation, the Bible does say you must work AFTER your salvation. This is the reason why the majority of our "Christian" churches and the majority of our "Christian" America is living like a bunch of backslidden evildoers. Come on work!

Ephesians 2:8-10

For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast. For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.
