

Throughout our world, Bible-believing Christianity has never been attacked as today. Apostasy among churches are growing, sin among the public is spreading, and wrong ideals among the people is soaring. The world, the flesh, and the devil are raising a hell on earth with Bible-believing truth being diminished. Where are the Bible-believers? Instead, they compromise the truth and their love to Jesus. The only reason why their churches can increase is not because of the power of the Holy Spirit but rather through man-made compromises. They do not stand for Bible-believing truth. The educated schools continue to criticize the beliefs of Christians while Bible-believers are helpless to defend the truth and focus on making big churches instead. The wicked world continues to criticize the practices of Christians while Bible-believers are being lazy and not street-preaching the gospel to them. What we need in order to create a mighty crash in the devil's system is to have one big blowout battle of Bible-believers. Before our Savior sounds His blowout at the Rapture, let's give our blowout to this blind and deaf society and make them remember the name of a Bible Believer.

Jude 3

Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints.

1. Earnestness for Bible-Believing Faith
2. Essentiality for Bible-Believing Faith
3. Exhortation for Bible-Believing Faith
